Financial Regulation: Law and Policy, Third Edition, Foundation Press, May 2021

This textbook analyzes and compares the market and regulatory architecture of the entire U.S. financial sector, from banks, insurance companies, and broker-dealers, to asset managers, fintech companies of many types, complex financial conglomerates, and government-sponsored enterprises for faculty and staff. The Third Edition explores a range of financial activities, including consumer finance and investment, digital and traditional payment systems, securitization, short-term wholesale funding, money markets, and derivatives.

Authors: Margaret Tahyar, Michael Barr (University of Michigan Law School) and Howell Jackson (Harvard Law School).
