

The Davis Polk Financial Crisis Manual

September 24, 2009 | Articles & Books

The Davis Polk Financial Crisis Manual has been written for anyone who wants to understand the flurry of new legislation, old law used in new ways, contracts with Treasury, press releases, frequently asked questions, guidelines and other rulemaking that has occurred at a dizzying speed over the last year and a half as a result of the financial crisis. This Manual attempts to describe these US financial crisis laws as they relate to financial institutions and is also meant to be, through the hyperlinks in each Chapter, a reference work gathering in one place the scattered primary sources of financial crisis laws.
