

Comment: 13 Regulatory Reform Predictions for '13

January 3, 2013 | Articles & Books

2013 is shaping up to be another significant year for U.S. regulatory reform. In a piece that appeared in the Financial Times' FT Trading Room on January 3, 2013, Annette Nazareth and Gabriel Rosenberg of Davis Polk's Financial Institutions Group make 13 regulatory reform predictions for 2013.
