

The Federal Reserve And Central Bank Digital Currencies

August 20, 2020 | Client Update

Our memo delivers key takeaways on the Federal Reserve's recent announcement about its research into central bank digital currency, along with some useful resources. We also place the Federal Reserve's recent announcement, in a speech by Governor Lael Brainard, in the overall international context.

If you have any questions regarding the matters covered in this publication, please reach out to any of the lawyers listed below or your usual Davis Polk contact.
