

Form F-4 registration of Japanese business combinations with the U.S. SEC under the U.S. Securities Act

September 20, 2022 | Client Update

Over the past two decades, a significant number of domestic business combinations in Japan have required registration with the U.S. Securities and Exchange Commission (SEC) on Form F-4 before they could be approved by target shareholders. This client update helps explain the Form F-4 registration process and its consequences for Japanese companies.
