

Intellectual Property and Tech Transactions Update - December 2017

December 18, 2017 | Client Update

Davis Polk is pleased to announce the launch of its Intellectual Property and Tech Transactions Update, a quarterly newsletter that will feature summaries and analysis of recent developments in intellectual property and data privacy law. In this issue, we examine selected intellectual property related decisions recently issued by the United States Supreme Court and lower federal courts, as well as the oral arguments recently conducted before the United States Supreme Court in connection with two *inter partes* review cases being heard this term.

Davis Polk's Intellectual Property and Technology Transactions Group specializes in providing advice on corporate and commercial transactions involving intellectual property, technology and data privacy matters. For more information about the group, [click here](#).

If you have any questions regarding the matters covered in this publication, please reach out to any of the lawyers listed below or your usual Davis Polk contact.
