

Trends and Updates in the CFIUS Space

January 16, 2018 | Client Update

2018 is shaping up as a potential watershed year for the Committee on Foreign Investment in the United States (“**CFIUS**” or the “**Committee**”). Within the first two weeks of the new year, CFIUS was the subject (or a significant topic) of two separate Congressional hearings and made headlines for declining to approve yet another significant China-based transaction, Ant Financial’s proposed acquisition of MoneyGram. Additional hearings are imminent and we predict that some form of CFIUS reform legislation will be enacted before the 2018 mid-term elections.
