

Cybersecurity: SEC Provides Guidance on Disclosure Considerations

October 20, 2011 | Client Update

The staff of the SEC's Division of Corporation Finance recently issued Disclosure Guidance on cybersecurity risks. The guidance does not impose any new disclosure obligations but rather frames cybersecurity as a business risk that, like other operational and financial risks, may call for disclosure if it could materially impact a company's operations.

If you have any questions regarding the matters covered in this publication, please reach out to any of the lawyers listed below or your usual Davis Polk contact.
