

The U.S. Basel III Final Rule for Community, Regional and Foreign Banking Organizations

July 18, 2013 | Client Update

The U.S. Basel III final rule is the most complete overhaul of U.S. bank capital standards in over two decades. Although it will apply to the entire U.S. banking sector, it will have different implications for different types of banking organizations.

On Wednesday, July 24, Davis Polk lawyers [Luigi L. De Ghenghi](#) and [Andrew S. Fei](#) will host a series of interactive webcasts on the U.S. Basel III final rule. In three separate sessions, the webcasts will discuss key aspects of U.S. Basel III for community banks, regional banks, and foreign banking organizations with significant U.S. operations.

If you have any questions regarding the matters covered in this publication, please reach out to any of the lawyers listed below or your usual Davis Polk contact.
